

Lyle R. Kelsey, MBA, CAE, CMBE

**Oklahoma State Board of Medical Licensure and
Supervision**

Executive Director

Oklahoma City, Oklahoma

 okmedicalboard.org/

Lyle R. Kelsey, MBA, CAE, CMBE, is the Executive Director of the Oklahoma State Board of Medical Licensure and Supervision. The Oklahoma Medical Board is the state regulatory agency responsible for licensing and regulating approximately 10,000 medical doctors and an additional 12,000 licensees in 12 related health professions. He also serves as Executive Director for two separate regulatory boards; Oklahoma Board of Podiatric Examiners and the Oklahoma Board of Licensed Perfusionist Examiners.

Prior to his current position, he was Associate Director of the Oklahoma State Medical Association (OSMA) for a total of 18 years. Mr. Kelsey obtained an undergraduate degree in business management from Oklahoma Christian University and a master's degree in business from University of Central Oklahoma. He is adjunct faculty in the MBA Department of Oklahoma Christian University in HealthCare and Management.

Professionally, he has earned the national designations of Certified Association Executive (CAE) in 1992 and Certified Medical Board Executive (CMBE) in 2002. He previously served on the Editorial Committee of the Federation of State Medical Boards (FSMB) for six years, and also as president of Administrators in Medicine (AIM) (2006-08). He has had the distinguished privilege to serve on the FSMB Board of Directors (2013-2015).
